**Notes:**

This sample submission form acts as the chain of custody for your sample. Please physically include it in the package when sending your samples. The company listed on this form as the submitter of the samples assumes all financial responsibility for work requested on this form. If additional testing becomes necessary additional notification and agreement of financial responsibility will ensue.

Minimum 4 oz. samples required. Label outside of the box with "Samples for Laboratory Analysis Only Not for Human Consumption."

We are always looking to improve! Please email or call us with your feedback regarding our services from sample submission forms to your overall satisfaction of our customer service. (802) 540-0148 [sales@biadiagnostics.com](mailto:sales@biadiagnostics.com)
