Green Mountain Surgery Center Awarded on Newsweek's America's Best Ambulatory Surgery Centers 2024 List

Wednesday, October 18, 2023 – Green Mountain Surgery Center (GMSC) been awarded on Newsweek's list of America's Best Ambulatory Surgery Centers 2024. This prestigious award is presented by Newsweek and Statista Inc., the world-leading statistics portal and industry ranking provider. The awards list was announced on October 18th, 2023, and can currently be viewed on Newsweek's website.

The America's Best Ambulatory Surgery Centers 2024 awards the leading ambulatory surgery centers (ASC) in the US based on quality of care, performance data and peer recommendations, relative to in-state competition. Included ASC operates exclusively for the purpose of providing surgical services to patients not requiring hospitalization and in which expected duration of services would not exceed 24 hours following an admission. The 25 states with the most facilities according to the U.S. Centers for Medicare & Medicaid Services (CMS) were surveyed individually. The remaining states were grouped into 4 regions. ASCs from these states were considered accordingly.

Based on the results of the study, Green Mountain Surgery Center is honored to be recognized on Newsweek's list of America's Best Ambulatory Surgery Centers 2024.

GMSC has served patients' needs since 2019.

Statista publishes hundreds of worldwide industry rankings and company listings with high profile media partners. This research and analysis service is based on the success of statista.com, the leading data and business intelligence portal that provides statistics, business relevant data, and various market and consumer studies and surveys.

"This incredible accomplishment is a direct reflection of the top quality, hardworking team we have at GMSC. They strive every day to provide our community with high-quality, affordable care in a compassionate and inclusive environment. Without each member of our team, we couldn't have accomplished this. Thank You!
- Liz Hunt, Director of Finance & Operations
