

Welcome to Vermont Restorative Dentistry. We are so pleased that you have chosen our office for your dental needs. This practice is a general dental office that also offers reconstructive dentistry; fixed, removable and implant restorations. We also offer professional hygiene therapy for post treatment maintenance and follow-up.

If you provide your dental insurance information we will be happy to submit a claim for your reimbursement. **Vermont Restorative Dentistry does not participate with any insurance company and we do expect payment at time of service.** Typically, the initial appointment will be a time where diagnostic information will be gathered and a review of treatment recommendations will be made at a subsequent appointment. The initial appointment will be about 1 ½ hours in length.

Our office policy concerning broken appointments is that we expect 2 business days' notice if you find it necessary to cancel or reschedule your appointment. It is understandable that sickness and scheduling conflicts occur, but we ask that you please understand it is unfair to other patients who are waiting to schedule appointments for broken appointments to become habitual.

Directions to our office:

Online map and directions are on our website.

From I-89

Interstate 89 to Exit 14 East onto Williston Road. Turn right onto Hinesburg Road/Route 116. We are one mile south of the Kennedy Drive/Hinesburg Road intersection on the left. 1060 Hinesburg Road, Suite 302, South Burlington.

From Route 7-Shelburne Road

Continue on Rt. 7 towards Burlington and turn right onto Route 189. Exit Route 189 following the signs for the airport, middle lane. Go through that light and then turn right at the second light on Kennedy Drive onto Hinesburg Road/Route 116. We are about 1 mile on the left, 1060 Hinesburg Road, South Burlington.

We look forward to meeting you soon. If you have any questions please feel free to give us a call or visit our website, www.vermontrestoratedentistry.com

See you soon,
